ENGLISH BULLDOG RESCUE

Join us at the St. Regis Atlanta for the Eighth Annual Bully Ball on Saturday, March 4th, 2017. Hosted by the Georgia English Bulldog Rescue (GEBR), the Bully Ball event (black tie optional) includes dinner, casino, live and silent auctions, raffle and a live band!

GEBR is a 501(c)(3) corporation that rescues abused, abandoned, sick and unwanted English Bulldogs. We provide them with veterinary care, rehabilitation and training before placing them in permanent homes. Staffed solely by dedicated volunteers and one full-time employee, GEBR has no formal facilities or shelter, and relies on experienced, volunteer foster homes to tend the dogs in our care.

Since its inception, GEBR has rescued over 450 English Bulldogs. Close to 100 dogs were rescued or surrendered in 2015 alone, with over 40 currently in foster homes. With the support of donors, sponsors and volunteers, GEBR can educate the public about responsible English Bulldog ownership, while helping rehabilitate and rehome these dogs into loving homes.

Over the last seven years, the Bully Ball has raised more than \$755,000 to help neglected English Bulldogs in the Southeast. With five colleges in the Southeast using bulldogs as mascots, many people purchase a bulldog before researching the special needs of the breed.

Please support our mission by becoming a sponsor of the Bully Ball and/or contributing an item to our highly selective and successful silent and live auctions. All Bully Ball proceeds are tax-deductible and 100 percent of the proceeds go directly to medical care of rescued bulldogs.

Thank you!

Prissy, the inspiration behind the creation of GEBR and the Bully Ball, was the first personal English Bulldog rescue by future GEBR director Ruthann Phillips and was adopted by Bully Ball founder Kelley Hollowell.

Meet Miss Kay Kay

Miss Kay Kay has spent all six years of her life pushing out puppies for a breeder. No longer able to breed, she was given to a small rescue in North Georgia. That rescue called GEBR to help because she could not walk and barely hold up her head. After many X-rays, an MRI and blood work, it was found that she has severe hip dysplasia, severe arthritis, mild patellar luxation in both knees and an issue in her spine. Miss Kay Kay had a hemilaminectomy, (spine surgery) which removes part of the a vertebra.

Surgery was a success! Miss Kay Kay was wheeled into the hospital and in one week, she walked out in full bully style! She is still on medical hold but will be spayed and ready for adoption soon!

Veterinary costs for Miss Kay Kay \$6,000
