Join us at the Grand Hyatt Buckhead for Bully Ball X on Saturday, March 2nd, 2019. Hosted by the Georgia English Bulldog Rescue (GEBR), Bully Ball X includes dinner, casino, live and silent auctions, raffle and a live band!

GEBR is a 501(c)(3) corporation that rescues abused, abandoned, sick and unwanted English Bulldogs. Dogs are provided with veterinary care, rehabilitation and training before being placed in permanent homes. Staffed solely by dedicated volunteers and one full-time employee, GEBR has no formal facilities or shelter and relies on experienced, volunteer foster homes to tend the dogs in their care.

Since its inception, GEBR has rescued more than 600 English Bulldogs. In 2017 alone, 104 dogs were rescued or surrendered with 35 currently in foster homes. With the support of donors, sponsors and volunteers, GEBR can educate the public about responsible English Bulldog ownership, while helping rehabilitate and rehome these dogs into loving homes.

Over the last nine years, the Bully Ball has raised more than \$1 million to help care for neglected English Bulldogs in the Southeast. With many colleges in the Southeast having bulldogs as mascots, many people purchase a bulldog before researching the special needs of the breed.

Please support our mission by becoming a sponsor of Bully Ball X and/or contributing an item to our highly selective and successful silent and live auctions. Bully Ball X proceeds are tax-deductible and 100 percent of the proceeds go directly to medical care of rescued bulldogs.

## “MIMSY” – With your help, this is what we do.

Rescued from a local shelter, Mimsy had five open wounds on her body including a very large ruptured mammary tumor, dislocated hip, dry eyes, skin infection and was heart worm positive. She was dehydrated and anemic with a low red and very high white blood cell count.

She was transferred to ICU for fluids, liquid antibiotics and liquid pain medication. She was too weak and too infected to do anything more.

Mimsy needed her mammary mass and spleen removed, spay, teeth cleaning and a stomach biopsy (it was later determined the mass was benign). After consulting with a specialist, surgeries were completed in May. In July, Mimsy developed two more mammary masses which required removal before she could start heartworm treatment. Unfortunately, Mimsy had a seizure before that surgery was complete. Removing the masses was more of a precaution than a necessity at the time. Blood work looked fine so heartworm treatment started. On August 16, 2018, Mimsy was finally ready for her forever home. Her wounds have healed and her future looks bright. Your sponsorship will make many stories like Mimsy's have a happy ending.

Veterinary costs for  
Mimsy were \$8,600

100% of the net proceeds from The Bully Ball go directly to the support and care of rescued bulldogs.

The overhead for these rescued bulldogs is staggering. 2017 veterinarian expense alone was over \$200,000 – even with our veterinary care providers extending rescue discounts.

Please show your support by becoming a sponsor of Bully Ball X – the major fundraiser that enables Georgia English Bulldog Rescue to continue its mission.
